SELECT GLADIOLI

Season of 1928

HENRY C. PETY

PAULDING, OHIO

Foreword

IN presenting the following selection of Gladiolus, we believe that we are offering one of the most complete lists of select varieties to be found anywhere.

Our relations with our customers are based upon **SERVICE** and **SATISFACTION**.

Repeat orders from satisfied customers, year after year, are our best testimonials. We have no space to include testimonial letters in this list, but we will cheerfully give extract with name and address from the many testimonials we have on file.

Terms

ALL prices quoted are guaranteed against lower quotation by any reliable dealer.

All orders of \$1.00, or over, are shipped prepaid to any point in the United States or Canada.

Cash, money order, draft of check with orders below \$5.00.

25 per cent cash deposit accepted on orders of \$5.00 or over, balance before March 1st.

10 per cent Discount in bulbs or stock customers selection, allowed on orders amounting to \$5.00 or over when accompanied by full remittance.

Worth while **EXTRAS** included in every shipment.

Stock guaranteed true to name and free from disease. In case of error or mistake (we all make them) money shall be refunded without question, or stock replaced, including natural increase at customer's choice.

Many varieties are in great demand and we advise placing orders early to avoid disappointments. Remember we guarantee against drop in prices. We do not substitute unless requested to do so.

All stock in this list offered subject to prior sale or loss by destruction.

Shipments scheduled from March 15 to May 15, at customer's order. All shipments neatly and securely packed travels at our risk. Earlier shipment upon request at customer's risk.

SIZE A Bulbs are 1¼" minimum; they mostly run over 1½".

SIZE B Bulbs are ½" minimum; will run mostly over up to 1".

Twelve Bulbs or Bulblets sold at ten times the price of one, six Bulbs at dozen rate.

Prices on larger quantities a matter of correspondence.

We solicit correspondence and inquiries on special requirements.

The mark "X" under "each" in the bulblet price column, indicates that 20 bulblets will be sold for the price of one size "A" bulb.

Special Sets or Collections

We solicit your inquiries for quotations on special sets or collections of bulbs or bulbets of your own selection.

Gladiolus Seeds

The raising of seedlings is one of the most fascinating parts of gladiolus growing. From carefully made hand crosses from the most promising fine varieties listed in this catalog and the new strains constantly introduced in our gardens from many parts of the world, we offer a limited quantity of select seed.

One Package. Over 100 seeds, \$1.00. Full instructions with each package.

Gladiolus

By F. F. Rockwell

An excellent, compact and handy work for the grower of Gladiolus, both for cut flowers and for pleasing effect in the planting scheme of the Home place. Full of practical suggestions on how and where to use "Glads". Chapters on care and cultivation, increasing stock, creating new varieties, growing for exhibition, harvesting and storing, completely indexed.

Per copy: \$1.00 post paid

The price of this book may be included in whole or in part in the 10 per cent bulb discount allowed on cash orders of \$5.00 or over. The book will be sent free on request with orders of \$15.00 or over.

American Gladiolus Society

You are cordially invited to become a member of the American Gladiolus Society. The fastest growing special flower society in the world---over 4000 members.

The society publishes a monthly Review, which keeps you posted on the latest developments of the Gladiolus.

The dues, including the monthly Review, are \$2.00 per year. The Review alone is worth the expense. Send me the \$2.00 and I will have you enrolled as a member.

First Offering of Our Own Originations

LARGE TYPES

STELLA. (Pety) 1928.

Strong grower, large blooms of perfect form and placement, pure white cream throat, no markings. Very good propagator.

Large bulbs \$2.00. Medium bulbs \$1.25.
Small, 75 cents.

MONTE-CARLO. (Pety) 1928.

Tall, strong grower, six to ten large blooms open, of fine form and placement, color a rich cheery orange scarlet on light orange ground. As beautiful under artificial light as in daylight. Good propagator.

Large bulb \$3.00. Medium Bulb \$1.75.
Small, \$1.00.

The following varieties are particularly distinct by their new form or colors or both and show more or less prim parentage. All are good propagators.

RUBY (Pety) 1928.

Very few names gives an exact description of the color. In "Ruby" we have an exact description of the color. True pigeon-blood, almost self, lighter marks in the throat unnoticeable at a few feet distance. The blooms of medium size, with thin elongated petals somewhat lacinated, are artistically placed on a slender stem. A rare color, unique in gladiolus.

Large bulb \$2.50. Medium bulb \$1.50.
Small 80 cents.

THE EMIR. (Pety) 1928.

Grandiflora Prim. Sturdy grower, blooms in size and form somewhat resembling a large tulip, the extraordinary coloring is a most attractive combination of rosy bronze, overlaid with a silvery violet sheen recalling the tints found in some Breeder tulips.

Large bulb \$2.50. Medium bulb \$1.50.
Small 80 cents.

SUNKIST (Pety) 1928.

A landscape variety par excellence, medium height, the foliage remains clean and bright until frost, free bloomer from small bulbs and even bulblets, the medium size blooms of bright light orange with dark orange marking on lower petals, harmonize perfectly with the green background of the border or shrubbery. Also very fine for spray and basket work.

Large bulb .75, Medium bulb .40, Small .25.
